

Brooke & Jacob

Brooke Ruytenbeek (Golub), JD 2005 met her Nova Sweetheart during 1L Orientation. She was staffing a table to answer questions about law school when she looked up and saw a handsome blonde-haired guy with a great tan standing in front of her...

After **Jacob Ruytenbeek**, JD 2007, left the table he thought to himself, "This girl doesn't take me seriously at all." So he returned to the table to ask more questions about law school. Brooke was glad Jacob returned to the table that day, as she recalls, "I had no idea how my life would change from that moment on. To think that I would find my best friend in the atrium of NSU Law, the man I would marry, and the man with whom I would have two beautiful boys, Benjamin and Zachary." Brooke said, "our 'meet cute' was the moment that sparked this amazing adventure between two law students who fell madly in love with one another. It was a beautiful beginning to our always and forever. Best friends to this day, we still laugh about how we met." Scroll down for photos.
