

# Kimberlee & Michael

**Kimberlee Otis** JD 2009, first met **Michael DeBiase**, JD 2009, as 1L classmates. They were each dating other people at the time, and remained friends for their 3 year law school career, until the very end of their 3<sup>rd</sup> year...

Kimberlee and Michael found themselves both “single” at the end of their 3L year. They began dating while studying for the Bar Exam---breaking the rule the professors and bar coaches warn about! They became “study buddies” and their friendship blossomed over the summer. Fortunately, they both passed the Bar Exam and began practicing law in the Fort Lauderdale area. Now, they are homeowners, have 2 dogs, and are engaged to be married in April 2014. They thank NSU Law for bringing them together. Scroll down for photo.
