

—With Gratitude and Appreciation—
Our Supporters Make All the Difference!
2014 Gifts, Memorials and Tributes

It is with great appreciation that we recognize all who made gifts in support of Women Writing for (a) Change during 2014! Your contributions strengthen the foundation for the work and longevity of WWf(a)C. We could not do it without you. Tuition and fees provide 64% of our income and the remainder comes from contributions and other fundraising efforts. YOU, our individual donors, give or make possible 72% of all those dollars raised!

No matter the size, each and every gift adds up to support what you love and makes possible a multitude of opportunities. Your gifts add up to core classes for women and girls, specialty classes, summer camps for girls, outreach classes for teens at risk for homelessness, elementary school programs for girls and boys, and so much more!

Thank you for the very important difference you make at Women Writing for (a) Change!
