

Our Gratitude Volunteers Make it Happen!

With hours behind the scenes, our many volunteers step up repeatedly to support the work of Women Writing for (a) Change. We could not operate so successfully without these contributions of time and support, delivered with love and energy. Our volunteers beautify and improve our building (care through cleaning, organizing, painting, plumbing, planting, etc); provide help with office work, mailings and article-writing; plan and host events, and even perform for our benefit!

To our volunteers, a very special THANK YOU. We are filled with gratitude for all that you do!
