FROM THE DIRECTOR

Dear Members,

I want to use this space for thanking all those who helped us with our annual Veteran's Auction, Vince For Vets, featuring Vince Wilfork formerly of the New England Patriots. The event was a huge success and I'm pleased to announce that we will double our donation to the Chaplain's Emergency Relief Fund this year—\$20,000!

We had a terrific crowd who were so excited to meet Vince and wish him well before he heads to Houston.

Many many thanks to all who came out, as well as our sponsors who helped to make the event possible: AutoFair Volkswagen, GEICO Insurance Agent-Manchester, Staples, 106.3 Frank FM, Eastern Bank, HPM Insurance, The Copy Shop, Service Credit Union, United Way of

Greater Nashua, People's United Bank, Cruise Planners - Eric & Meredith Bernstein and The Red Sox Foundation. We are also very grateful for all our volunteers who worked so hard to coordinate the event. Above all, we thank Vince Wilfork for his time, his dedication to giving back and for being a great role model. New Hampshire will miss you Vince!

LYLE FULKERSON OF HPM INSURANCE ELECTED VICE PRESIDENT OF SAFECO INSURANCE ADVISORY COUNCIL FOR THE NORTHEAST REGION

Lyle Fulkerson of HPM Insurance in Bedford and Milford has been elected vice president of the Safeco Insurance Advisory Council for the Northeast region. Advisory councils

play a vital role in helping Safeco improve the experience for both customers and the company's independent agent partners.

Fulkerson also will participate on Safeco's national council, which is a collaborative, agent-driven forum that has helped Safeco partner with agents for more than a decade. Approximately 140 agents sit on eight regional councils, and the elected officers of each regional council comprise the National Advisory Council. Safeco's collaboration with agents through advisory councils is a testament to Safeco's commitment to independent agents.

As a national spokesperson for Safeco agents and customers, Fulkerson looks forward to what his fellow agents and Safeco can accomplish in the year ahead.

"After participating on the regional council, I've seen the good that it can do for customers, independent agents and Safeco," said Fulkerson. "Serving as vice president is a true honor, and I'm look forward to playing a part in strengthening

relationships and improving how we bring value to our customers."

Regional Advisory Council participants serve three-year terms, with about one-third of the membership rotating annually. Officers hold their positions for one year.

"We are pleased to be working closely with St. Joseph Home Health Care," says John Getts, Executive Director of HHHC. "Our shared commitment to high quality, safe and compassionate care to all we serve will help to ensure a seamless transition."

SOUHEGAN NURSING ASSOCIATION (DBA ST. JOSEPH HOME HEALTH CARE) TRANSITIONS TO HOME HEALTH & HOSPICE CARE

Souhegan Nursing Association (dba St. Joseph Home Health Care) announced this week that it will transition its services to Home Health & Hospice Care in Merrimack (HHHC). St. Joseph Home Health Care is a home health care subsidiary of St. Joseph Healthcare in Nashua.

"This decision was not made lightly," says Dr. Richard Boehler, President of St. Joseph Hospital. "Since last fall it has become increasingly clear that a unified approach to home health care will best serve our patients and their families in this community."

"The medical reimbursement climate as well as a declining patient census have all combined to make this move," he says. "By transitioning our agency we are helping to strengthen the provision of home care services within a single agency, ensuring our patients and the community at large will have access to services for years to come. We are very fortunate as
