

NH BUSINESS REVIEW

Since 2003, NH Business Review's Business Excellence Awards have honored the best and the brightest in the state's small business community. Starting last year, we're now honoring larger businesses too – with awards in eight different categories for small businesses (under 100 employees) and bigger ones (over 100 employees). Submit your nomination today! Winners will be recognized at an evening reception on November 1, 2016 at the Radisson Hotel in Manchester.

Presenting Sponsor:  **Citizens Bank**

Deadline for nominations is September 15!

Instructions:

1. Please explain why this nominee should be considered for a Business Excellence Award. Focus on specific business accomplishments as well as the obstacles, adversity or challenges that had to be overcome to reach this achievement. Please include examples that show the nominee's creativity, vision, ingenuity and industriousness.

2. Provide a brief biography (200 words) of the nominee.

In selecting Business Excellence Award winners, judges are asked to place particular emphasis on nominees' contributions outside of their business or organization. **It is recommended that nominations be accompanied by news stories, letters of referral or other documents that support the role played by the nominee in his or her local community or at the state or national level.**
