

UNDERSTANDING Kidney Transplantation

PENN TRANSPLANT INSTITUTE PATIENT EDUCATION SERIES

▶ **Sunday, October 4, 2015**

Maggiano's | 1 pm to 3 pm
205 Mall Blvd. | King of Prussia, PA

▶ **Sunday, November 15, 2015**

Hotel ML | 1 pm to 3 pm
915 Route 73 | Mount Laurel, NJ

At Penn, we understand that juggling dialysis treatments, family commitments and work schedules leaves little time to explore transplant as a treatment option.

That's why we're offering a new, interactive conference with doctors and nurses from the kidney transplant team who will answer the following questions:

- What are the benefits and risks of kidney transplant?
- Is it safe to be a live kidney donor?
- How do I get on the transplant waiting list?
- What's involved in the kidney transplant surgery?

ADMISSIONS

Free for chronic kidney disease patients and one guest. **Space is limited.**

SPECIAL OFFER

Free, preliminary kidney transplant screening at event.

Complimentary lunch and parking included.

To R S V P please call **800-789-PENN (7366)** or visit
PennMedicine.org/Understanding-Kidney-Transplant.
