

Mobile Crane Operator Certification

ABC is pleased to offer NCCER Mobile Crane Operator Certifications. NCCER certifications are equipment and capacity specific; ANSI approved; and meet or exceed current ASME B30.5 consensus safety standards and OSHA 29 CFR part 1926 subpart CC operator certification requirements.

To become certified, experienced operators must pass a written assessment and practical examination.

**Per §29 CFR
1926.1427 Crane
Operators must be
certified by
November 2017.**

Course Overview: Our three day prep course will prepare candidates for the written exam, which will be administered immediately following the prep course. Candidates who successfully pass the written exam can then take the practical for an additional fee at their location on their equipment.

Cost: \$1,500 which includes prep course and one attempt at the written exam. Cost does not include practical exam. Group rates are available for organizations with 4 or more operators. Contact Jacqueline at (704) 367-1331 for more details.

Location: ABC of the Carolinas, 610 Minuet Lane, Charlotte, NC 28217

Dates and Times: August 31st – September 3th, 2015
Prep Course August 31, September 1, and September 2 - 8:00 am to 5:00 pm
Written exam – September 3 – 8:00 am to 12:00 pm

Registration and Cancellation: Course seats are limited so sign up early. Registration for this course closes at close of business on August 24, 2015 or when the course is full. A fee of \$750 will be charged to confirmed registrants that do not show or cancel after August 24, 2015. To register:

1. Review the Paths to Mobile Crane Operator Certification in the attached NCCER Mobile Crane Candidate Handbook
2. Determine which written test you will take
3. Complete the registration form and submit payment
