It is with great pleasure and enthusiasm that I announce the promotion of Terri Foley to KLAS News Director, effective Monday, 8/31/15.

Terri started her career at KLAS as a Newsroom Coordinator in 1986 moving up to Producer for the Noon, 5 p.m. and 6 p.m. newscasts. From there, Terri became our Special Projects Producer and Executive Producer before landing her most recent role as Managing Editor/Assistant News Director for the past 8 years. A native of Las Vegas and a UNLV graduate, Terri brings incredible local knowledge of the market, tremendous passion for news with a genuine commitment to our community and the people at KLAS.

Please join me in congratulating Terri as she steps into her new position of KLAS-TV 8 News Director!!
