

AFA Cycling Classic, June 13-14

We are fast approaching the annual AFA Cycling Classic. There are again opportunities to volunteer, ride, donate, or attend one of the events surrounding the weekend. Please share the dates (June 13-14) with your chapters, and encourage participation. Volunteers can sign up here: <http://www.cyclingclassic.org/volunteer.html>.

All donations through Team Sabre will be donated to the Wounded Airman Program. If you are interested in riding for Team Sabre, please register here: <http://cyclingclassic.org/team-sabre.html>

If you are not able to attend or ride but still want to donate to the Wounded Airman Program then please visit <http://www.firstgiving.com/TeamSabre/2015-AFACC>.

It looks as though it will be another great event for the Air Force Association and we hope you will be able to join us for it! For more information on the Cycling Classic please visit www.cyclingclassic.org.
