Child & Family Guidance Center of Texoma welcomes new psychologist

Catherine Bass, Ph.D. is now on staff at the Child & Family Guidance Center of Texoma providing psychological testing and evaluations for children, teens and adults.

Dr. Bass is a Licensed Psychologist specializing in child and adolescent psychological assessment. Dr. Bass completed her Ph.D. in School/Child Clinical Psychology at the University of North Texas in 1997, with a minor in Education. Her predoctoral internship was completed at the Kennedy-Krieger Institute at Johns Hopkins University in Baltimore, Maryland, with intensive training in Applied Behavior Analysis (ABA), treatment of severe behavior disorders in children with developmental disabilities, and pediatric psychology (ABA treatment of children hospitalized with medical illnesses). Dr. Bass' professional experience includes years of experience in psychological research and assessment in private practice, educational, and community mental health settings. She has participated in research teams at Children's Medical Center-Dallas and UT Southwestern Medical Center-Department of Child and Adolescent Psychiatry, providing clinical diagnostic interviews and psychological testing for studies of adolescent depression and learning disabilities, child ADHD, and neuropsychological outcomes of children with liver disease.

The Center is thrilled to have Dr. Bass serve as staff psychologist. Dr. Bass is accepting referrals for psychological testing and evaluations for Medicaid, CHIP, some private insurance and uninsured clients.
