

ONLINE REGISTRATION FOR 2016-2017 SCHOOL YEAR

The Hallsville School District will again utilize online registration for the 2016-17 school year. This process is only for returning students. New students to the district **will not** be able to register online, but will come in and complete the process at the registrar's office.

ONLINE REGISTRATION OPENS ON JULY 6 AND CLOSES ON AUG. 5 at 4:00 pm !!

The Student Information System (SIS) will be open for the PRIMARY HOUSEHOLD (not the alternate household) parents to update their information, submit new information, complete health information, renew bus rider requests, and register student driver vehicles. All information will be submitted by the parent online. **If there are errors or invalid entries, you will receive an email to re-submit. Watch your email for a response !** Rather than filling out multiple packets for each student, family information will only be completed once and individual student information will be updated at the same time.

To access the parent portal: **Not on smart phone !!**

1. Go to www.hallsville.org

2. Resources

3. For Parents

4. Parent SISK12 access

5. Login with User Name (email address on file)

Once logged in, you will see a tab for Online Registration and this is where you will begin your process. There will be detailed instructions when you begin registration.

If you do not have parent portal access or have forgotten your login information, please email psscott@hallsville.org with your name, your student's name and your contact information.

High School students will not be able to view class schedules- they must come to the Guidance office at their assigned time for schedules. The High School Guidance office will be available on the following days for schedules and the HS office for paying for parking permit: **Aug. 9 and Aug. 10 see schedule below for details.**

Middle School students - There will be a 6th grade Orientation on Aug. 11 at 6pm for schedules and a building tour. 7th and 8th graders will not receive their schedules until the "Meet the Teacher" event on Aug. 15.

Primary and Intermediate students will be notified of their teacher assignment via mail on or about August 5, *if their registration is completed at that time.*

*****Proof of Residence documents will only need to be provided if the household has moved since last school year.**

These can be emailed to the district registrar at mfrevert@hallsville.org, or FAXED to 573-696-1605.

Documentation for any **recent immunizations required for the school year** may also be sent by those methods.

Completed sports physicals (with all signatures and insurance info) may also be faxed to 696-1605. **DON'T WAIT UNTIL THE FIRST PRACTICE AND HAND IT TO THE COACH !** THEY NEED TO BE PROOFED FOR INSURANCE AND COPIED FOR THE COACH.

Most forms in SIS will be marked **required, and must be completed** before you are allowed to submit your entry. If you discover an error, you can notify us and we will resend the form for correction. You must complete the Bus Rider page **for each child** so we can establish the list for each bus and driver. *Please DO NOT fill out the complete mailing address in these bus spaces- just house number, apt number, if necessary, and road name. DO NOT SAY "same as last year" because anything you type there wipes out previous information !!*

*****If you do not have computer access, computers will be available for you at the school on August 3rd and 4th, at times listed below, or by appointment.**

The registration schedule is as follows:

- July 6 –Aug. 5 **SIS Online Registration Portal open. Portal Closes Aug. 5 at 4:00 pm !!**
