BARBARA RINELLA'S LATEST BOOK DRAMATIZATION: *CIRCLING THE SUN*, BY PAULA MCLAIN

Barbara brings to life pioneering aviator, Beryl Markham, the first woman to fly solo East to West across the Atlantic Ocean. Set against the majestic landscape of early-twentieth-century Africa, McLain's powerful tale reveals the extraordinary adventures of a woman before her time, the exhilaration of freedom and its cost, and the tenacity of the human spirit.

Named one of the best books of the year by NPR, Circling the Sun soars!

*Brunch begins promptly
at 10 am, with the
program to follow.*
