

Donahue & Associates LLC

Certified Public Accountant

About Us

Donahue & Associates LLC was formed in 1983 as a part-time endeavor, and became a full service Certified Public Accounting firm in 1988.

Our firm takes great pride in the work we provide, and our clients are promised an aggressive, diverse team to serve their needs. Our people have come here from national accounting firms and industry as well. We spend the additional time needed to insure that all of our clients understand the invaluable services that we are providing them, so that they can use this information to make informed financial decisions.

As a member of the American Institute of Certified Public Accountants and the Wisconsin Institute of Certified Public Accountants, Donahue & Associates LLC is subject to a regular quality review of our accounting, compilation and audit engagements. We have always received an unqualified report (Highest Mark Available). The quality review program, along with annual continuing education classes and seminars, assure our clients of our commitment to high quality standards.

WE MEET YOUR ACCOUNTING NEEDS FROM BASIC BOOKKEEPING TO MORE COMPLEX FINANCIAL NEEDS.

How We Partner With You

At Donahue & Associates LLC we work in partnership with our clients to provide more than just numbers. CPA services should be more than merely delivering tax and accounting documents. Our dedicated accounting professionals ensure you understand your data and what it means to your business. When you have all the relevant information in hand, you are better equipped to make sound decisions that ensure the ongoing success of your business. Our fully integrated line of tax, accounting, and audit services allow you to select from several options to create a solution that best meets your needs. We know one size does not fit all, which is why we work with you to customize an accounting solution that is right for you.

Donahue & Associates LLC has the ability and the experience to provide a timely, quality service to our clients. The background of our personnel and our total commitment to render the highest level of professional service are strong qualifications for us to serve our clients as an independent public accounting firm.
