Grow Your Business.

Keep Swingin'® is a business growth strategy. Your swing might miss. You need to swing again. With a better swing, you will get more hits. With more hits, you will score more growth for your business. A better swing means more business, and Mark Mikelat can help you with your swing.

What Mark's Fans are Saying

"Mark has some great ideas I've shared with my students. Actually, I've used the tips myself to win clients."

- Dr. Chuck Swenson,
USC Marshall School of Business,
Founder of the National Tax Credit Group

"I'd highly recommend Mark's books and motivational programs to give you a jumpstart."

- Terri Tiemann, Owner
Spotlight Search and Annandale & Associates

"You were the key that put the business person in the driver's seat."

- Ron Crossley, SELACO WIB Executive Director

Mark's Mantra

Small Business Leaders Work Too Much.

Frustrated by the 14-hour, 7-days a week work schedule endured by his entrepreneurial parents, Mark Mikelat sought out better answers for better business. With proper strategy, we can all achieve the goal of working less and achieving more. This idea is central to all of Mark's programs. Mark has shown hundreds of corporate and small business clients the path to better business.
