

BUILDING ASPIRATIONS

A Career Development
Message

By Mark Mikelat

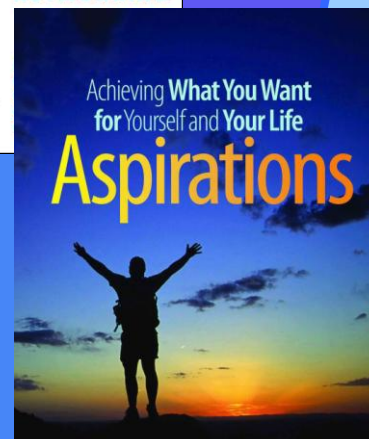

How to Get a Job Over Lattes, is a 90 minute interactive workshop that provides the job seeker no-nonsense, quick and easy to understand strategies to get their dream job.

Based on Mark
Mikelat's two books

What job seekers will learn.

- A **\$1 marketing strategy** that super charges your job search
- A **2-second strategy** that makes job seekers unforgettable
- Mark's **FREE** strategy for meeting managers, even CEOs
- How Mark Mikelat **got a job in 10 minutes**, even with 3 typos on a resume
- How Mark Mikelat **got a job** in Switzerland **without an interview**.... without a resume
- **How to impress** Human Resources people every time, all of the time
- **And much more**

MARK MIKELAT ENGAGES HIS AUDIENCE

HERE HE IS IN ACTION AT THE JOBING.COM CAREER EXPO

ABOUT MARK MIKELAT

Mark Mikelat has always been a networker. He has always held the belief that by helping enough people, you truly help yourself. This idea of helping others is central to the theme of networking, and in this book, Mark explains with personal and powerful anecdotes, how to be an effective networker. Respected speaker Mark Mikelat is the creator of the Aspirations Message™.

Mark Mikelat is adjunct faculty at Long Beach City College and a presenter in the California State University, Long Beach Extension Services Program.

Some of Mark Mikelat's satisfied clients

WHAT CLIENTS ARE SAYING

"I've watched Mark develop and perfect his networking and aspiration techniques over several years. Personally I've used many of the skills he teaches to sign new clients, get my job candidates hired, meet new friends, find an affordable personal trainer and even get into the right doctors."

Terri Tiemann - Executive Recruiter
Owner, Spotlight Search and
Annandale & Associates

"I wanted to brag on how wonderful Mark's speaking was on Networking he really personalized it by each individual in the group. Everyone was so inspired for weeks they kept coming to me talking about how great Mark was."

Racheal Holbrook
Director of Career Education
Polkworks - Arbor Education & Training

"Networking is powerful! As a college professor, my students often ask for career advice. Networking is critical and Mark has some great ideas I've shared with my students. Actually, I've used the tips myself to win clients. If you need help with your networking skills, Mark is the man!"

Dr. Chuck Swenson,
Professor and Leventhal Research Fellow
Leventhal School of Accounting,
University of Southern California
Founder of the National Tax Credit Group
