**GEORGIA-CAROLINA COUNCIL, BSA**

If you have a Scout that will be a Webelos I & Webelos II in the summer of 2016; This Camp is for You!

Dear **Bear Den Leaders** and **Webelos Den Leaders**,

Welcome to Webelos Resident Camp at Camp Daniel Marshall. Webelos Resident Camp is geared toward Webelos Patrols camping with two or more adult leaders. Webelos is the first step towards Boy Scouting and the implementation of the Patrol Method. During your stay at camp, emphasis will be placed on working together as a Patrol. Each Patrol will select morning and afternoon activities to participate in as a Patrol. Registration as a Patrol is critical to your Webelos success during your stay at Webelos Resident Camp.

**If you can't go to camp when your den goes, your Webelos can still come with a parent as a Provisional Scout.**

Now that you and your Webelos den are signed up, get ready to enjoy an amazing time at Camp Daniel Marshall. The staff has worked very hard to make sure that you and your Patrols have the experience of a lifetime at Webelos Resident Camp 2016.

Please take time to read through this Leaders Guide. It spells out what you will need to do while planning for a great stay at camp and what you and your Webelos Scouts can expect once you arrive at camp. Some forms will need to be completed and returned to the Camp Director before you come to camp. Make sure that every leader or parent that will be attending camp has had the opportunity to read this guidebook. This guidebook is available on the website at [www.gacacouncil.org](http://www.gacacouncil.org).

Scouts will get a chance to spend time in larger groups as well and have some quality time with their friends in their Patrol. Meals will be served cafeteria-style in the dining hall. Like Boy Scouts at summer camp, Webelos will work together to share campsite duties.

This year's theme at Camp Daniel Marshall is "Knights of the Round Table" During each of the sessions, activities and events will be intertwined with various Medieval themes and backgrounds, providing a template for a fun and educational experience for everyone!

As you may have heard, the advancement program has changed for Cub Scouts this year! Webelos Patrols will work on three Webelos Adventures in the morning and one in the afternoon. Also in the afternoon, Patrols will choose from a list of fun activities including swimming, boating, shooting sports, and other Webelos age appropriate activities. If there are any questions you may have about our program or how to attend Webelos camp, please do not hesitate to email me at: [gresan1@live.com](mailto:gresan1@live.com) or call me at (706) 799-4527 or the council service center at: (706) 733-5277.

I look forward to a fun-filled stay with you and your den this summer at Camp Daniel Marshall.

Greg C. Sewell

# Program and Advancement

## General

The Webelos program at Camp Daniel Marshall is built around the new Cub Scout Adventure program and Scouting Skills to prepare Webelos for Boy Scouts. **If your Webelos decides to continue working on the old Activity Pins, he can still come to camp since many of the new Adventures are based on the old Activity Pins and will cover several of the same requirements. If you have concerns check with your Cubmaster.** The adventures selected were based on those best suited for a camp setting. Each Webelos Patrol will have the opportunity to work on up to four Adventures while at camp. There will be three program periods in the morning and one in the afternoon. Program activities will be based on this year's Medieval theme. In addition, there will be opportunities in the evening for camp wide activities.

There will also be open programming during the afternoon. Open program events will include shooting sports (sign up required upon arrival), canoeing, kayaking, fishing, swimming, obstacle courses, crafts (leather kits, basketry), and other activities. Upon arrival, Patrols and Leaders will be able to sign up for the shooting sports ranges to ensure that everyone has the opportunity to shoot with a minimal wait. During this time we also encourage scouts to participate in a Scouts Skills Course to prepare the Patrols for the camp wide activities. Scout Skills include: whittling chip, fire building and string burning, knots, and Leave No Trace training.

## Webelos Adventures (Activity Badges)

Webelos Adventures, formally known as activity badges, are offered during the three morning sessions and one afternoon session. All Webelos will rotate through these groupings. Webelos will work on the same Adventures at the same time each day during their session at camp. Each Patrol may choose from a group of four (4) Adventures that their Webelos would like to earn and work with a buddy in the afternoon session. This year we feature four (4) Adventures required for the Webelos Badge, and one (1) required for Arrow of Light.

**The following Webelos Adventures will be offered at Webelos Resident Camp in 2016:**

9:00 – 10:00 am	First Responder*	Stronger, Faster, Higher*	Cast Iron Chef*

# Camp Policies

## **Registration/Insurance**

In accordance with National Policy, every Scout and Scouter that attends Webelos Residential Camp must be registered with the BSA and certified on the den roster. The Georgia-Carolina Council provides council-wide accident and sickness coverage for all registered Scouts and Scouters from the Georgia-Carolina Council.

## **Immunizations**

The State of Georgia Immunization Unit requires that all attendees have adequate immunizations. Not all youth are protected against preventable diseases such as measles, mumps and rubella. Those immunizations listed on the BSA medical forms must be obtained and documented before arrival at camp.

## **Medical Forms**

All Webelos and leaders are required to bring a copy of their BSA Annual Health & Medical Record. Parts A, B, and C are required and must be complete within the previous 12 months. Use BSA Form #680-001. All medical forms are submitted to the Camp Health Officer upon arrival at camp check-in. Medications are the responsibility of the Unit, however secured refrigeration is provided with the Camp Health Officer.

## **Tobacco Products**

In accordance to the national policy of the BSA, adults are asked to use discretion when using tobacco products and should avoid using them in the presence of campers. Smoking is not permitted in camp buildings nor is the use of tobacco products by those under the age of 18.

## **Controlled Substances**

In accordance with the national policy of the BSA, alcohol and illegal drugs are not permitted on camp property. Discovery of these items will result in immediate dismissal from the property and/or criminal prosecution.

## **Footwear**

Except when at the swimming or boating area or when taking a shower, closed toe and heel shoes must be worn in camp. No sandals or flip-flops. ***(We strongly suggest firm bottomed swim shoes for aquatic based activities)***

In an effort to instill a sense of pride in his uniform, each Scout should arrive at camp in a Webelos Scout uniform. Everyone should wear the complete Webelos Scout uniform (Class A) to check-in, dinner meals and campfires

Please understand that we will need for you (the unit leaders) to be present at this time to verify that the Scout is allowed to leave with this specific person, even if they are the parent.

### **Meals**

Meals are served cafeteria style three times daily and are well balanced nutritious meals. Any dietary restrictions or requests (for health or religious reasons only) should be noted on the registration form.

### **Buddy System**

The buddy system is simply a pairing of boys that go to places together. The buddy system should be used at all times during camp. Everywhere the boys go they should be with their buddy, and an adult leader. No Webelos Scout should be seen alone in camp when away from his group.

They provide protection for the adult leadership, restricting situations in which there may be vulnerability to allegations of abusive behavior. Make sure that all Adults attending Camp with your Unit are familiar with all the BSA Youth Protection Policies.

**Two-Deep Leadership:** Two registered adult leaders or one registered adult leader and a parent of a participant, both of whom must be 21 years of age or older, are required on all trips and outings. The charter organization is responsible for ensuring that sufficient leadership is provided for all activities. If special provisions are required, unit leadership MUST make arrangements with the Camp Director BEFORE camp arrival.

**No one-on-one contact:** One-on-One contact between adults and youth is not allowed. In situations requiring a personal conference, the meeting will be conducted in full view of other adults and youth.
