A WeBeLoS Scout's quest toward his Arrow of Light Award is an important one. He is learning new skills and growing towards becoming an independent young man and transitioning into Boy Scouts.

**At Arrow Quest, we understand the needs of WeBeLoS Scouts and provide an action-packed, fun-filled, exciting weekend they will not soon forget!**

This booklet contains information your WeBeLoS will need to have a successful and fun time at this year's event. Be sure to read all information carefully as we expect participants to act in accordance with the best Scouting traditions. We have written this booklet to be easy to understand, but if you have any questions, please feel free to contact the event chair, Debra Lanham [dhlanham24@aol.com](mailto:dhlanham24@aol.com)

This event will place an emphasis on Scouts acting within the best ideals of Scouting -- "Do Your Best." No Den will be eligible to win awards if the Webelos-Ree Chair, Assistant Chair, or any Staff has to discipline them. We expect Den Leaders and parents to supervise their Scouts and maintain safety and discipline at all times.

### Pack Coordinator

**This is very important to ensure a successful event.** Pack Coordinators must register the entire group 'online' by the registration deadline of October 30, 2015. For small packs, a parent may serve in this capacity and register all attendees.

If a pack does not submit a name to the council, we will use the primary pack contact as the Pack Coordinator. The Pack Coordinator will be the main conduit for communication from the Event Chair to the pack. **We will distribute detailed program information to the Pack Coordinators via email.** Please ensure your Pack Coordinator provides us with an accurate email address. **The Pack Coordinator will be responsible for checking the pack in at Friday night's Leader meeting and checking-out their Pack & picking up all medical forms on Sunday following the Closing Ceremony.**

A copy of the map will also be posted on the Information Board located across the drive in front of the Administration Building. If any further assistance is needed during the event, please see a Webelos-Ree Staff Member (STAFF on back of T-shirt) or an assistant in the Administration Building (Admin).

### Vehicles in Camp

**Vehicles are NO Longer Allowed in Campsites – Council Policy!**

# Webelo-Ree 2015

## Georgia-Carolina Council WebeloS-Ree Leader Guide

- We encourage all units to use trailers if available. If units have a detachable trailer, they may leave it in their campsite during the event as long as it does not obstruct pathways, restroom access, etc. Limit one trailer per unit.
- **Units are welcome to bring wagons, wheelbarrows, etc. to carry their gear to and from campsites.** We will have one camp vehicle to transport gear to campsites. Gear transport will be first come - first served. As we normally have upwards of 300 in attendance at Webelo-Ree, your patience is appreciated.

### First Aid

Small needs should be tended to at the campsite using Pack first aid supplies and trained adult leaders. Larger needs should be directed to First Aid located inside Admin. Medications may be stored in First Aid.

### Camping

Camping on Friday and/or Saturday night is highly encouraged, but optional. There is no additional charge for camping. Please indicate online, during Pack Registration, the number of campers for each night. We will assign campsites based on those numbers. Campsites are assigned based on the number of campers and location the previous year. Sites furthest away from water and restrooms will be rotated each year. All campers will have access to water and electric at their nearest pavilion. Port-o-lets will be located in areas near campers. Being prepared by bringing water with you will eliminate waiting in line at the pavilions. ☺

*\*Packs with medical needs for electricity MUST indicate this on their registration form. We will not be able to relocate a pack at check-in. If large numbers of medically needy are attending, we will create a 'Medical Only' camping area near a pavilion and no non-medical needs campers will be allowed there.*

### Meals

**We will provide lunch on Saturday at this event.** All dens are encouraged to use the other meals (Sat/Sun breakfast & Sat dinner) to fulfill their Dutch oven cooking requirement. Snacks, beverages and candy will be available at our Trading Post in addition to Coffee and Hot Chocolate. \*\*Extra points for Den competitions will be awarded for Packs who use mess kits in their camp sites and help reduce the amount of trash we produce at Knox Scout Reservation. Also additional points can be added to your den score for everyone having a true water bottle. (Not a plastic bottle that you get bottled water in!) We will not be providing them this year and will have NO CUPS. Adults/Parents this includes you as well.

### Wristbands

All attendees will receive wristbands from the Pack Coordinator. The wristband must be worn for the duration of the event. Wristbands will help with identification & are required for the Lost Scout Plan.

### T-Shirts

**All WeBeLoS Scouts will receive a T-shirt** with paid registration. T-shirts will be available for pick up by the Pack Coordinator during the Friday evening Leader Meeting. Please indicate T-shirt size during online registration. Adults may pre-order T-shirts online as well. A limited number of adult T-shirts will be available for purchase in the Trading Post. There will be no orders placed after the event.

### Sports

If your scouts always have extra energy, we have the solution! We have equipment for the following sports available for check-out at the admin building:

- Badminton
- Human Foosball
- Volleyball

You are responsible for returning equipment in the same condition in which you checked it out. Den leaders/parents are also responsible for teaching their den the sport.

### Volunteer Opportunities

Webelo-Ree is always looking for great adult volunteers as well as Boy Scout volunteers over the age of 14 (with SM recommendation). Volunteers must have completed the following training: Youth Protection, Safe Swim Defense, Safety Afloat and Hazardous Weather. First Aid and CPR training are a plus! Volunteers are needed for teaching activity badge sessions, to assisting with parking, campfire, judging events, etc. If you would like to volunteer, please contact Debra Lanham at [dhlanham24@aol.com](mailto:dhlanham24@aol.com)

### Schedule Alteration & Attendance

Times for the Campfire Ceremony and Closing Ceremony **will NOT be changed** except in the event of an emergency. Please be understanding, and encourage scout-like behavior. A scout is: trustworthy, helpful, friendly, courteous, kind, cheerful, obedient, thrifty, brave, clean, and reverent.

Also, if leaving the campfire early, **please do NOT leave** in the middle of a skit. It upsets scouts when groups of people leave during their performance. Also, please remember cheerful applause is uplifting and encouraging!

### Frequently Asked Questions

**Q: If this program is designed around the patrol method, what is the role of the Cub Master/Pack Coordinator?**

A: Their role is to coordinate their dens' registration, coordinate with the Event Chairs, keep track of medical forms, class schedules, etc. and ensure our Scouts and families have fun!

**Q: Are Den Leaders required to stay with their dens?**

A: Yes, during Den times. During rotating sessions, parents/leaders should accompany their Webelo Scouts.

**Q: What if I do not want to camp?**

A: The program runs from 8 am to 9:30 pm on Saturday. Camping is encouraged, but not required. You can camp on Friday or Saturday night or both nights at no additional cost. If you do not camp on Friday night, please arrive at Camp Knox no later than 7:30 AM on Saturday as Check In will close at 8:00 am.

**Q: What if a family changed their mind and wants to attend after the Pack submitted the Pack's registration?**

**(Late Registration)**

A: Contact the Event Chair. The Event Chair will handle each situation on a case-by-case basis. Online registration does not allow for late registrations. However, in the event of an emergency, the event chair may make an acceptance. (Forgetting to register is NOT an emergency.)

**Q: You only asked for one parent/leader to walk around with each den. What about two deep leadership?**

A: All the groups will be located in the same area and will be visible to other groups. The dens will not be alone with only one leader. If the den leaves the program area, the Den Leader needs to ensure there are at least two adults with the group.

**Q: If I show up at noon, will I be able to drive my gear to the campsite?**

A: No. A vehicle can only be driven to the campsite during Check-In and Check-Out as shown on the schedule. During these times the vehicle must also have a vehicle pass.

**Q: How much does it cost?**

A: \$45 for a Scout and a parent or adult partner.

**Q: I have a Webelo who wants to attend, but cannot afford it. What can I do?**

A: Camperships are available on a first come-first served basis for scouts in need. Cub Masters should send a request for camperships to the event chair.

Please "field dress" your butts and dispose of them properly remembering the ever present danger of forest fires.
- ❖ **ATTIRE:** Closed toe shoes must be worn in camp at all times. Walk, do not run, within your campsite. Remember tent stakes and tie downs. The Scout uniform, correctly worn, is the most proper dress.

- ❖ **FIRES:** FIRES WILL BE ALLOWED IN DESIGNATED FIRE CIRCLES ONLY. Do not cut trees. Bring your firewood, charcoal or collect dead wood from the ground. No pit/trench fires; use the rings provided. Never leave a fire unattended, especially when going to bed. All fires should be extinguished according to BSA guidelines.
- ❖ **ROCKS AND STICKS:** Although tempting, rocks must not be thrown or kicked and sticks may not be swung. Injury/damage to property usually results from this action. Such actions will result in you being asked to leave the campout immediately. Adult Leaders please help monitor your boys.
- ❖ **FIRST AID:** The Health Lodge (at the Admin building) will be manned during the event. Medical Emergencies should be directed through Admin during other hours. Minor first aid should be handled at the campsite if you have supplies. Medications for all Scouts and Scouters will be kept at the Health Lodge and administered by the Health Officer.

I HAVE READ ALL THE ABOVE RULES AND HAVE SHARED THEM WITH THE FAMILIES IN MY UNIT THAT ARE ATTENDING THIS EVENT. WE ALL AGREE TO FOLLOW THE RULES AND ARE AWARE THAT WE WILL BE ASKED TO LEAVE THE CAMPING EVENT IMMEDIATELY IF WE DO NOT.
