Property Check Program Ottawa County Sheriff's Office

A property check program has been implemented by the Ottawa County Sheriff's Office Spring Lake Branch. A sheriff's deputy will physically check your home while you are away to ensure it is secure during your absence. They will contact you and/or a designated local emergency contact if they find anything wrong.

Any resident that will be out of the area may use the program, whether you are leaving for a short time or if you will be gone for several months.

A form is available to provide information for the deputy. The form can be picked up at Township Hall or you can call Deputy Babcock at 616-738-4000 Ext *1483#. Please complete the form at least a week prior to your departure so the deputies can review it and contact you with questions or for a walk-through of your property. Upon your return, the completed property check form will be returned to you.
