*The Enneagram is an ancient system which combines psychology and spirituality for the purpose of personal transformation.*

***This workshop explores underlying issues of each type, including a brief introduction to levels. It is centered around motivations and heart-longings: Why do we do what we do? What is our core fear/question? And how can we discover who we are, and act on the true desires of our hearts?***

**Open to all:** If you did not attend the Intro event in the Fall, please familiarize yourself with the Enneagram and have a starting sense of your Enneagram type. (A good place to start is [enneagraminstitute.com](http://enneagraminstitute.com)).

**Cost:** \$70. includes a workbook, lunch and snacks.

**Facilitator:** **Rev. Phil GebbenGreen**, Pastor at Edgcumbe Pres. Church, and trained by the Riso-Hudson Enneagram Institute, fascinated by the variety of human quirkiness, and chooser of faith over fear.
