

Plymouth Presbyterian Church

Interim Pastor

Plymouth Presbyterian Church is a dynamic 25-year-old, medium-sized, PCUSA congregation located in Plymouth, MN (a western suburb of the Twin Cities metro area). Our minister recently left to pursue an opportunity with a Presbytery in Michigan. We seek an energetic interim pastor to help us move forward and prepare for our next installed pastor. This person needs to excel in collaboration, strategy and vision and be an excellent communicator. These skills are necessary to help us develop our vision as we strive to achieve our mission, "Building Faith, Making Friends and Serving People," during this time of transition. This person must have experience, training and certification as an interim pastor. For more information about Plymouth Presbyterian Church see our website at <http://www.plymouthpc.org>. If interested please reply to ep@ptcaweb.org.
