June 2016

Dear Friend of RNH,

By now you have most likely seen our beautiful new Community and Teen Center. Perhaps you were able to attend the opening celebration of the building in April of 2015; perhaps you've taken your child to one of our soccer or basketball programs, attended one of our Zumba or yoga classes, or had a personal tour of our new space.

Now that the building is completed, we are turning our attention to the rest of the RNH campus, making it more open and welcoming. You may recall our initial brick campaign which began in 2012. Our goal is to complete the campaign this year.

We are creating a commemorative space, in honor of Sarah and Geoffrey Gund, to the right of the entrance to the Community and Teen Center. The space will be a relaxing spot that will feature personalized bricks . We invite you to become part of this vision!

Since 1872, in good times and bad, RNH has responded to Riverdale's ever-changing needs, providing programs, activities and a social network that established RNH as a hub of the community.

Make Our House Your Home

RNH relies on the help of many individuals to maintain the level of excellence in programming we offer. By purchasing a commemorative brick you will support the important work we do with children, teens, families and senior citizens.

Please help us to build our community, brick by brick. Simply complete the enclosed reply slip to select your brick.

Thank you for your support, past, present and future.

Sincerely,

A handwritten signature in blue ink, appearing to read "AS", with a long horizontal line extending to the right.
