

VIP Reserved Parking and Seating Package

Please email Stacey Datnow at sdatnow@me.com if you are interested in a reserved graduation seat package.

Package includes: 1 Parking Space and 4 RESERVED seats **on the field** for \$200.

Packages will be sold on a first come, first served basis and are limited to 48 packages.

Only email requests will be accepted in order to track responses accordingly. NO PHONE CALLS will be accepted.

Once Stacey has received your request, she will email you a form which needs to be completed and returned WITH PAYMENT by the specified date. If payment is not received by the specified date, your package will no longer be reserved.

This is a SPECIAL offer from the OPHS ABC and OPHS ASB. Tickets sold by the student store and given to students at graduation rehearsal may not be used in the RESERVED seating area. PLEASE NOTE: If you have more than 4 people who want to sit together at graduation, you will have to purchase more than one package OR sit separately. A security company has been hired in order to ensure all customers have a reserved seat. Anyone who does not follow this rule will be asked to leave the stadium immediately.

Thank you for your support. Your donation will benefit the OPHS Athletic Booster Club and OPHS ASB.
