Medical conditions of which we should be aware (allergies, medications, etc.):

Because Youth Quake seeks to address the real-life questions of concern to youth, sometimes workshops are offered that address sex and sexuality from a Biblical perspective. Please indicate one of the following regarding workshops offered that might address sex and sexuality:

☐ I give my child permission to attend such a workshop.

☐ My child may only attend the workshop with an adult chaperone from St. John.

☐ I do not wish for my child to attend such a workshop.
