

We're Getting There!

Lutheran World Relief
SUSTAINABLE DEVELOPMENT. LASTING PROMISE.

School kits:

Congratulations Shoppers! We have nearly all of the school supplies we need. We do still need some more of these:

- ✓ ball point pens in blue or black ink

Don't worry if you have already purchased school supplies no longer on the list. Just bring in what you have purchased, and put it in the LWR box in the Narthex. We do this every year! What doesn't get used this year will put us ahead of the curve for 2017, and the prices just keep going up.

Next we would like to focus on items for the Personal Care Kits.

Personal Care Kits:

- ✓ nail clippers
- ✓ sturdy, wide-tooth combs
- ✓ adult-size toothbrushes in their original packaging (good quality multi-packs are OK, too)
- ✓ many, many bath-size bars of soap in their original wrapping (4-5 oz.)
- ✓ bath-size towels (approx. 52" x 27"), light weight, dark colors preferred

Thank you for your continued support of this important ministry. Please place your purchases in one of the LWR boxes in the Narthex. Our packing date will be in early October. If you have any questions, contact Patty Oates, rpoates@sbcglobal.net or call her at 248-473-0816 or Joanne Hagen at 248-474-8521.
