

How Can Your Church Get Involved in the Hartman Center Fall Festival?

October 17, 2015

- **Donate a basket for the Silent Auction.** The value of the basket should range between \$25 and \$50. There are loads of ideas on the web for basket themes and what to put in them. For example: a Wine Lovers basket, a Book Worm basket or a Kids Crafts basket. The baskets should be delivered to Hartman Center by October 10th or contact Bruce Druckenmiller at Hartman Center for other delivery arrangements. Bruce can be reached via email at bruce@hartmancenter.com or by phone at 717-667-2431.
- **Bring a car load, van load or bus load of people to Hartman Center.** A fundraiser like this is successful only with many people to bid on the auction items and support the food stands. The more people we have the more fun we will have and the more successful this fundraiser will be.
- **Set up a table at the Festival and sell crafts or food that your local church members make.** This could be any items such as home-made cards, crafts or a food specialty of your congregation. There is no fee to set up a table; we just ask that you tithe from what you take in.
- **Provide activities or entertainment during the festival.** Youth groups, Christian Ed teachers etc could provide a game or craft for children to do. If you have a musical group within your congregation that would like to perform, a time could be set up for you to entertain adults!
- **Volunteer to help.** Even if your church does not have a stand or a table set up, we still need people to help with the bounce houses, crafts, face-painting and parking - just to name a few of the jobs we need help with.

If your congregation would like to be part of the annual Hartman Center Fall Festival by providing any of the above, contact Bruce Druckenmiller at bruce@hartmancenter.com or 717-667-2431.

**Please support Hartman Center by participating and
having fun at our Fall Festival!**
