

# University of PPAL

The Parent/Professional Advocacy League (PPAL) is a statewide family-run organization dedicated to improving the mental health and well-being of children, youth and families through education, advocacy and partnership

## Mental Health & the IEP

Training designed for the unique steps of support for children with emotional, behavioral, and/or mental health needs in school

Participants will learn:

- the difference between special education (IEP) requirements and a 504 plan
- how to identify, communicate, & discuss your concerns with the school
- the evaluation process, supports & related services, & ways to use PPAL's tools, guides and sample letters
