

HBM Architects is an award-winning, downtown Cleveland-based firm with a national practice focused on creating great civic, library, and academic facilities. We are a design-oriented firm that works collaboratively with our clients to develop solutions that reflect their communities and campuses.

Architectural Designer: We are seeking a talented architectural designer to develop design concepts and presentation material along with continued project support through all phases of design and construction. The individual should be a creative thinker with strong graphic and communication skills and must be able to work collaboratively with firm leadership and our in-house interior design department to develop holistic building designs. Candidates must be proficient in Revit and SketchUp.

Marketing Assistant: We are seeking an individual with experience in all aspects of marketing involving successful interaction with clients, consultants and team members as well as an understanding of the impact and strategic use of social media. The candidate should possess excellent verbal and written communication skills and the ability to write technical proposals including creating content. The candidate should be proficient in the use of Adobe Creative Suite, Microsoft Office, and Prezi and have the ability to multi-task to meet schedules and deadlines.

If you are interested in joining our firm, please send a cover letter, resume, examples of your work, or a link to online materials, to Patty - poneill@HBMArchitects.com. Feel free to visit our web site at www.HBMArchitects.com for more information about our firm.
