

We would like to invite you to the **Sequoia High School International Festival on April 11**, 2015 from 2-6:30pm. The festival is an on-campus event that features the multiculturalism in our community and the passions and accomplishments of Sequoia students. There will be activities (carnival style), film screenings, a main stage with student dance/music entertainment, and food trucks.

The festival will be followed by the Sequoia High School Dance Show, which begins at 7pm and features Sequoia's various dance classes, dance team and soloists.

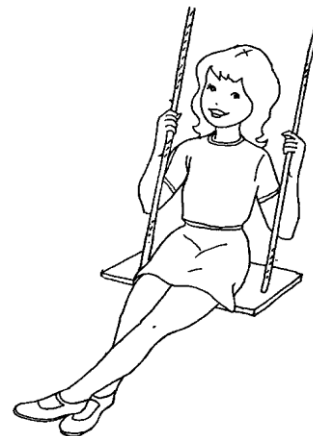

Please join us for an afternoon of fun, entertainment and food, and get to know our community!

Realtors, please stop by the PTSA information booth to introduce yourself when you arrive at the Festival.

The Festival is open to the public and fun for all ages! Admission is free.

Sequoia is on an Up Swing!
