

# GET RECOGNIZED @THE 2016 SYMPOSIUM

KANSAS STATE OF WELLNESS

We are looking for a worksite and a community to recognize at the upcoming Kansas State of Wellness Symposium that are making strides toward improving health. (Especially those focused on increasing physical activity, improving nutrition and/or reducing tobacco/nicotine use.) We want to share all of the hard work that you are doing with others across the state.

- Have you developed diverse partnerships as a part of a collaboration to improve health?
- Are you implementing policy and/or environmental supports to improve health?
- Have you utilized a comprehensive strategy to improve Health?

Awardees will receive an original piece of Kansas art and have a professional video created showcasing their work!
