

Diesel to Electric Ag Pump Program

Has been Extended Until Dec. 31, 2012!

The Sacramento Metropolitan Air Quality Management District Has Extended the Diesel to Electric Ag Pump Grant Program to Dec. 31st 2012.

- The Program has been expanded to accept applications to convert Registered Tier Zero and newer engines to electric
- Program is first come first served until funding is fully allocated
- Funding is available for up to 85% of the cost of converting any registered diesel Ag engine to electric.
- Anyone with a registered diesel engine can qualify in the following counties:
 - Sacramento, El Dorado, Placer, Tehama, Sutter, Yolo, Solano, Colusa, Yuba, Glenn and Northern San Joaquin Valley

Contact: Gary A. Bailey (916) 874-4893
