

Introduction to Care Training

- **How do I get into the Care industry?** – practical help on finding work within the care sector (Elderly, Support Work or Child Care)
- **Practical Training:** 3 Day First Aid, Fire Safety and COSHH (Control of Substances Hazardous to Health)
- **Employability Skills:** assistance to update your CV to reflect the skills, experience and qualifications gain through pre recruitment training. Mock interviews, application assistance and letter writing
- **Ongoing Individual Support:** individual support to help you market your new skills and training to employers and help you find work
- **Future Funding:** Support with funding PVG's, Travel expenses, SSSC registrations and uniforms if required

Training will take place at Crosshill Business Centre, Crosshill, KY5 8BJ and will commence on the 18th of May 2016.
