

FIFE TASK FORCE

support for training & employability

Have you been affected by developments at Tullis Russell or other major redundancies?

The Fife Task Force is here to help you with training advice and support whether you are an individual looking for work or a business taking on new employees.

The Taskforce is providing

- support and advice for individuals affected by redundancy, maximising each individual's opportunity to secure alternative employment and training;
- support to the communities impacted by the closure; and
- a Training Fund for grants between £200 and £5,000 per eligible individual (closing date for applications will be 31st March 2016).

What support is on offer

Individuals	Business
1-2-1 Guidance and Support: Guidance interview/training needs assessment	Support to identify potential highly skilled individuals to join your workforce
Support to re-skill and up-skill	Support for your business requirements in terms of skill-set
