Over 1,500 Montgomery County residents may be impacted by a recent change in SNAP policy. Effective January 1 "able-bodied adults without dependents" can only receive SNAP (food stamp) benefits for 3 months in a 3 year period.

Manna Food Center has invited Maryland Hunger Solutions to explain this new rule and discuss how agencies can respond. This is a public event, but space is limited. Please RSVP by visiting <http://tinyurl.com/z3j6x9u>, scanning the QR code below or e-mailing jenna@mannafood.org.
