TEXAS CIVIL JUSTICE LEAGUE SUPPORTS JUSTICE DEBRA LEHRMANN

America's oldest and largest state legal reform organization, the prestigious Texas Civil Justice League's Political Action Committee, today endorsed Justice Debra Lehrmann's campaign for re-election to the Texas Supreme Court. The endorsement is one of the most sought-after by Texas judicial candidates.

Since 1986, the Texas Civil Justice League has led the fight to restore fairness and stability to the state's civil justice system. Members include hundreds of corporate businesses of all sizes, law firms, professional and trade associations, health care providers, and individuals.

"Justice Lehrmann has shown strong support for a fair and balanced legal system. She is a hard-working, principled judge and is known for her fairness and dedication to the Constitution," said Carol Sims, Executive Director of the League.

The League has fought for broad legal reforms in our state that have lowered costs and encouraged economic growth and business expansion.

"I am proud to earn the support of The Texas Civil Justice League," said Justice Lehrmann. "When re-elected I will work to continue to issue rulings with honesty, fairness and fidelity to our laws and constitution. I will continue to strictly interpret the law."

Justice Lehrmann has served on the Supreme Court for five years and as a Judge for 28 years. Justice Lehrmann was appointed by Governor Rick Perry to replace retiring Justice, Harriet O'Neill, in 2010. She then went on to win the general election.
