LETTER FROM THE PRINCIPAL

Dear Eckstein Families,

We have finished the third week of the fourth quarter and we're now in the home stretch of the school year. This can be a very exciting and busy time of year for students, with many projects and activities to manage. Right now is an excellent time to check in with your student to make sure he or she is on track for the final seven weeks of the semester. Tools such as the Source, teacher Fusion pages and student planners can be helpful in this. If you have any questions about projects, due dates or timelines, please be sure to contact your student's teachers. Our staff works very hard to be responsive and helpful and we want to set student up for success.

Be sure to mark your calendars for our all-school Science Night on May 21 and for Student-led Conferences on June 3. The June conferences give students an opportunity to share their individual portfolios, career interests and the progress made toward the academic goals they set in the fall. You will receive information soon about scheduling a time for your individual conference with your student.

Have a great weekend!

Treana Sterk, Principal
Eckstein Middle School

**** Eckstein Staff Appreciation Week is May 4 – 8.** It's only one week away!! The PTSA Staff Appreciation Committee is "going all out" the week of May 4th – 8th to show our amazing Eckstein staff just how much we appreciate the time and effort they dedicate to our students. Here's how you can help:

- **Gift Card Donations:** A very popular activity during Staff Appreciation week is the annual Gift Card Raffle, when we hold a drawing for a gift card each day for teachers and staff. Since EVERY Eckstein staff member is a winner, our goal is for EVERY staff member to win a gift card by the end of the week. That means we need Eckstein families to donate lots of gift cards (approximately 80 are needed) to make this event a success. You can drop off a gift card to any merchant in any amount in the main office next week. Thank you for your generosity!
- **Potluck events:** The PTSA will host a fun activity every day of Staff Appreciation Week and we need YOUR help for two specific events: a Cinco de Mayo Lunch Fiesta on Tuesday, May 5th and a Finally Friday Dessert Buffet on Friday, May 8th. To sign up for the Cinco de Mayo Lunch Fiesta, please click on this link: <http://www.signupgenius.com/go/9040f4eabaf28a31-cinco> (This is a Sign Up Genius site; your name and contact information are not made public but you will receive a timely e-mail reminder.) The Sign-Up Genius site for the Dessert Buffet will be available next week.

If you have any questions or would like to help, please e-mail Jeanne Suleiman at jmsuleiman@seattleschools.org. Thank you for your support!!

**** May is Bike to School Month, and Eckstein has a full slate of events planned.** We'll kick things off with a Bikers Breakfast on Friday, May 1, and also look forward to a Bike to School Day event on Wednesday, May 6. Stay tuned for information on upcoming events throughout the month. Track your trips on-line at cascade.org/bts. Let's help Eckstein win the coveted Golden Pedal award again! Want the latest updates? Check out [facebook.com/Ride2Class](https://www.facebook.com/Ride2Class). Want to help promote active transportation to Eckstein? Contact clint.loper@gmail.com. Here's to a spring of more kids walking and biking to school!

**** Attention 8th graders and their families:** Monday, April 27th, representatives from high schools will be coming to register current 8th graders for high school. This will happen 6th period. If option sheets were mailed home from the high school, please be sure your student brings them to school on Monday for the meeting with the high school representative.

- For students going to **Ingraham:** Ingraham Counselors will bring the Option sheets with them next Monday to explain to students. Students will take home, discuss with families, and return to Ms. Ziadeh to send to Ingraham.
- For students going to **Roosevelt:** Bring your course selection sheets that were mailed home. Counselors will answer any questions and help you fill them out if you have not done so.
- For students going to **Hale:** Bring your course selection sheets that were mailed home. Counselors will answer any questions and help you fill them out if you have not done so.
- For students going to **Cleveland:** Option sheets are being mailed home. Bring completed sheets to Ms. Ziadeh to send to Cleveland.
- For Students going to **Nova:** Representatives will be coming to help you choose classes.

**** Student-Led Conferences will be held on Wednesday, June 3rd.** Make sure to save this date on your calendar! Homeroom teachers will be contacting families mid-May to set up conference times. Most of the conferences will be scheduled in the time frame from 12:30-3:30pm. Hopefully, your student(s) shared their academic goals with you in the fall by conducting a mini-conference. The conference on June 3rd will be an opportunity for each student to share their portfolio, discuss goals, and talk about possible career interests. If you have any questions, please email Kathy Sherman (kasherman@seattleschools.org).

**** The CHOICES program is coming to Eckstein 8th graders next Wednesday and Thursday,** April 29th and 30th in science classes. In two class sessions, trained business volunteers take teens through real-world exercises on academic self-discipline, time and money management and goal setting. Ask your student what they have learned! For more info on the program, go to <http://www.seattlefoundation.org/npos/Pages/CHOICESEducationGroup.aspx?bv=nposearch>

Have enough books at home? Consider purchasing one to donate to the Eckstein library or a teacher's classroom. Thanks for your

support! Please contact the librarian Erin Sterling with any questions: emsterling@seattleschools.org or 206-252-5010.

2. YMCA staff will send an email notifying community members of the status of their proposal (received and under review, under review, declined, or accepted).
3. The YMCA will review the proposals and select the proposals that meet our criteria for program launch.
4. Once the YMCA has selected the accepted proposals, the YMCA Program Director will connect with the Eckstein Administration Team to ensure the activities do not conflict with Eckstein activities.
5. If the Eckstein Administration Team does not see any areas of concern with the proposal, YMCA staff will connect with the author of the proposal and provide a status update (accepted or declined).

Calling all gardeners! Now that spring here, Eckstein's Gardening Group is coming out of winter dormancy to work on the school's courtyard garden once a week. Join us on Thursdays from 9:00 – 11:00 if you would like to help improve the school environment for all students, meet other parents and get some fresh air! Sign in at the main office and then head out to the courtyard in the back of the school with gardening gloves, clippers and a trowel if you have them. To RSVP, get more information or sign up for Gardening Group email alerts, contact Katherine at katinire@hotmail.com.

Eckstein T-Shirts -- The PTSA is selling Eckstein t-shirts in the main office for \$10 while supplies last. Short and long sleeved shirts are available in white or blue, size Youth Large, Adult Medium or Adult Large. Bring \$10 to the main office (exact change or checks made out to Eckstein PTSA). Click [HERE](#) to view the shirts.

Assistance League Scholarship Program: Help your students achieve their summer plans. The ALS has money available for summer camps for current Seattle School District students in Grades 6-11. The Assistance League is a national philanthropic organization, and the Seattle chapter offers three programs of which the Enrichment Scholarship Program (ESP) is one. Through an application process, scholarships worth up to \$500 each are available to Seattle Public School Students. These students choose summer activities such as camps in theater, culinary arts, and outdoor programs, as well as UW educational courses, the Marrowstone Music Festival, Woodland Park's animal behavior program, and the Ryther Children's Center aspiring youth program. Please log on

to our website for the application. <http://seattle.assistanceleague.org/ps.enrichmentscholarshipprogram.cfm>. To download the entire flyer, click [HERE](#)

Do you drop your student off at Eckstein in the mornings? If so, please DRIVE SLOWLY AND WATCH CAREFULLY FOR OTHER STUDENTS when you are dropping off your child! We realize everyone is scrambling to get to school and work on time, but we want to make sure all students are safe. It is NOT SAFE to let your student out of the car in the “No Stopping” zone on the west side of 30th Ave NE and it can cause a dangerous traffic back-up at the corner. The school has received calls from concerned parents and neighbors about speeding drivers and students dashing across the street in front of cars on 30th Ave NE. Please help us keep students safe by dropping your student off either on the east (school side) of 30th, in the far south drop-off lot on 30th or at a safer drop-off spot on a side street a block or two away from the school that is less congested than 30th NE. Click [HERE](#) for the drop-off guidelines that were included in the start-of-school packets.

Phone Calls from Eckstein: Parents and Guardians, please remind your students that if they call you from a school phone, it's very important to leave a message (even if the message is just “You don't need to call me back”). All of the 100+ phones in the school show the main office number on Caller ID, so if you receive a phone call from Eckstein, please listen to the message to find out who called BEFORE you call the school back, since the main office staff will not know where to transfer your call based on the number that showed on your Caller ID.

Eckstein PTSA General Meetings: Plan ahead for the rest of the year! May 11 and June 9. 7:00p.m., Eckstein Conference Room 115.
