June 7, 2016 Rosh Chodesh 1 Sivan 5776

Dear Fellow Congregants:

The Board of Directors and various committees have started to plan for the Yamim Noraim and want to thank you very much for your continued support of Or Torah and to wish you and your families' health, happiness and success for the upcoming year.

Membership dues remain unchanged from last year at \$1800 for this coming year per family. Each family membership includes two seats, additional charges for children and guests can be found listed on the shul website and on the attached pricing sheet. For new members, single parent families and couples under 30 years of age dues will be \$900. If you elect to pay your entire balance by June 30<sup>th</sup> the shul will deduct \$100 from the total amount paid.

As always, NO ONE WILL BE TURNED AWAY DUE TO FINANCIAL ISSUES however we do ask that you contact anyone of the following below to arrange a payment plan. As a reminder, even if you have established a payment plan in the past, please contact one of the individuals below to confirm the continuation of your payment plan terms.

Marc Pershan at [Ortorahpresident@gmail.com](mailto:Ortorahpresident@gmail.com)

Joel Gorenstein at [joel.gorenstein@gmail.com](mailto:joel.gorenstein@gmail.com)

Sarah Bernstein at [ortorahexec@gmail.com](mailto:ortorahexec@gmail.com)

The fiscal year for Or Torah begins on July 1, 2016 and it is critical for the effective management of the shul's finances that any remaining dues, obligations and building fund payments are satisfied before that date. Only congregants who have satisfied their financial obligations or have established a payment plan will have their seating requests processed so please contact us as soon as possible.

Finally, just a reminder that seats for the various minyanim are confirmed on a "first come, first served" basis and to guarantee receiving the same seat as last year the request and the associated payment needs to be received by July 31, 2016. Seating requests after that time may not be able to be accommodated.

Rabbi Engel, Joel, Sarah, Marla and I would like to thank the Or Torah leadership team and the many volunteers for all their hard work to prepare for the Yamim Noraim. We are confident that our Shul Family will continue to grow and prosper in 5777 and for many more years to come.

L'Shana Tova  
Sincerely,

Marc Pershan      Joel Gorenstein  
President              Executive Vice President

Dear Members:

The purpose of this letter is to clarify the building fund obligation for each member family of Congregation Or Torah. Please note that this refers to the *existing* building fund and does not represent a new obligation. We would like to both emphasize the importance of the building fund to Or Torah's financial security and provide a detailed explanation of the payment process.

This building fund was instituted when the plans for the purchase of the current Or Torah building were made. The funds raised were critical for building our current space and have been used to pay off some of the debt on the building. The continued commitment of our members to the building fund has enabled Or Torah to undergo the recent expansion without having an additional capital campaign. It is imperative for us to continue the building fund to ensure the growth and expansion of our shul – our Mikdash Me'at.

The building fund obligation is a one-time obligation, of \$3,500, payable over 5 years at a suggested \$700/year (with a minimum of \$500) beginning with the member's 4<sup>th</sup> year as a member. Participation in and payment of the building fund is required in order to be considered a member in good standing. If a member joined Or Torah in the 2006-07 (5767) membership year, the building fund obligation would be as follows:

Membership Year	Amount
5767 (2006-07)	\$0
5768 (2007-08)	\$0
5769 (2008-09)	\$0
5770 (2009-10)	\$700 suggested or a minimum of \$500
5771 (2010-11)	\$700 suggested or a minimum of \$500
5772 (2011-12)	\$700 suggested or a minimum of \$500
5774 (2012-13)	\$700 suggested or a minimum of \$500
5775 (2013-14)	Balance Owed

Some families have given authorizations for \$50 to be paid monthly from their first year as a member to pay it off slowly in less than 6 years. Other families have been paying \$60 a month beginning from their 4<sup>th</sup> year to be paid off their obligation over the required 5 year period.

Of course, the building fund obligation can be satisfied at any earlier time as well. *In accordance with the long-standing policy of Or Torah, nobody will be denied membership due to financial hardship as long as arrangements are made with the Treasurer or President.*

The building fund is an important component in the financial well-being of Or Torah and allows us to meet the capital needs of the shul as our membership grows. We hope this letter eliminates any confusion and we ask those members who have not yet satisfied their building fund obligations to please do so as soon as possible.

We anticipate updating the Building Fund Board in the near future to properly recognize the many current and former members who have fulfilled their building fund obligation.

Best regards,

The Finance Committee
