

NDD on Social Media

The Nondefense discretionary summit, a group of thousands of national and local advocacy groups, is using the hashtag #NDDUnited during the December 10th day of action. When sending a tweet, make sure you include the Twitter handle of the member you are tweeting in your message. You can find a list of House Representative Twitter handles at <http://govsm.com/w/House> and Senate Twitter handles at <http://govsm.com/w/Senate>. This ensures that the member will get a notification of being “mentioned” in your message and will see what you’ve sent. Here are some great examples:

Included below are sample tweets for your use:

Template

- Discretionary investments have already been cut by nearly \$1.5 trillion. [*insert member twitter handle*] make sure there are #NoMoreCuts! #sequester
