The mission of Sports Are For Everyone (SAFE) and UNYAA's Sporting League is to provide sports training and recreation for children with developmental and physical disabilities. SAFE and UNYAA provide the opportunity for kids of differing abilities to learn the positive values of recreational athletics. With the help of primarily student volunteers from the community, children of all abilities are able to socialize and compete with one another in a controlled, positive and successful environment.

Any Questions? Please Contact Kristin Howarth -791-2703
