

**REV Sustainability Circle Participation
Available FREE to City of San Diego
Green Business Network Members;
an \$8500 Value!**

LIMITED TIME OFFER

**THE CITY OF SAN DIEGO'S GREEN BUSINESS NETWORK PROGRAM GOAL
IS TO REDUCE CO2 GAS OUTPUT, LOWER KWH AND WATER USE,
INCREASE RECYCLING AS WELL AS PROMOTE SUSTAINABILITY BY
ENGAGING CUSTOMERS, VISITORS AND EMPLOYEES.**

The benefits to join the program are;

- Your organization will be promoted on the Green Business Network website
- Green Business Network website will include a searchable website for sustainability minded customers to find you
- Rights to use San Diego Green Business Network logo for your marketing collateral and website
- Educational programs and workshops as well as networking opportunities

The City of San Diego's Green Business Network is FREE for qualifying organizations to join and requires a written sustainability plan to be submitted to the City of San Diego. The plan must document your organizations current efforts and future plans to reduce CO2 gas output, lower kWh and water use, increase recycling as well as promote sustainability by engaging your customers, visitors and employees.
