

FACT SHEET

Hallmark Health Medical Associates

Who we are:

We are committed to providing high quality service and care in a local setting. Giving you and your family access to the same level of services and expertise found in Boston but in a much easier to navigate community setting. With the depth and breadth of services offered throughout our system, we are here to support you and your family from birth throughout all phases of your life and any medical needs you may encounter along the way.

Our mission, vision and values:

Our mission is to provide, in a community-based setting, the highest quality healthcare to Boston's northern suburbs.

Our vision is to be the healthcare system of choice in our region, with demonstrated service to and support from area residents and physicians.

Our services:

HHS provides care in a wide array of clinical categories including internal medicine, surgery, maternal/newborn services, psychiatric care, walk-in service and emergency services. HHS also offers quality-focused specialty care in the areas of cardiac and endovascular health, orthopedics and sports medicine, wound care, comprehensive breast care and cancer care. In addition, HHS offers convenient access to the latest imaging and diagnostic services, including MRI, CT scan, digital mammography, ultrasound, interventional radiology and a full range of laboratory and physical rehabilitation services. Our two outpatient medical centers and our home care agency round out the full line of services offered throughout our healthcare system.

Our major clinical locations:

- Lawrence Memorial Hospital, Medford
- Hallmark Health VNA and Hospice, Malden
- Hallmark Health Medical Center, Reading
- Stoneham Outpatient Campus
- Melrose-Wakefield Hospital, Melrose
- Malden Family Health Center, Malden
- Hallmark Health System Cancer Center at the

Our clinical relationships:

- Maternal & Newborn Care - Tufts-New England Medical Center
- Angioplasty & Cardiac Catheterization - Massachusetts General Hospital
- Diabetes - Joslin Diabetes Center

Key Service Lines:

- Urgent Care Center Lawrence Memorial Hospital of Medford - Urgent Care Center, Rt. 128 Reading

- Comprehensive Breast Center
- Center for Weight Loss and Weight Loss Surgery

Our commitment to quality:

We believe that quality care starts internally, by working together to build the teams, policies and commitment necessary to deliver the level of care our patients deserve. We then take these internal guidelines and translate them to new, high-quality care and service for our patients as measured by clinical and industry guidelines and standards. Our success to-date is reflected in the recent recognition and ratings.

OPEN POSITIONS

Hallmark Health Medical Associates

Internal Medicine

Hallmark Health Medical Associates is seeking BE/BC Internal Medicine physicians for both full and part-time opportunities at several of our busy practices located less than ten miles north of Boston. These practices have various on-site medical services available and established patient bases so you can hit the ground running.

Family Medicine

Hallmark Health Medical Associates (HHMA) is seeking BE/BC Family Medicine physicians for both full and part-time opportunities at several of our busy practices located less than ten miles north of Boston. The practices have various on-site medical services available and established patient bases so you can hit the ground running.

Neurology

Hallmark Health is seeking full-time Neurologists to practice at our community hospitals in Melrose and Medford, located only a few miles north of Boston. Experience needed in critical care neurology, stroke management, multiple sclerosis, sleep disorders and epilepsy. This work environment offers the individual control over his or her practice, potential for immediate practice growth, a system and referral base in place.

Psychiatry

Hallmark Health System has full-time, salaried psychiatry positions available for an Adult Inpatient or Geriatric Inpatient Psychiatrist. Hallmark Health has a 22-bed, general adult inpatient psychiatry unit at Melrose-Wakefield Hospital in Melrose, and a 34-bed, geriatric inpatient psychiatry unit at Lawrence Memorial Hospital in Medford. Both are full-service community hospitals about 8 miles north of Boston.

- Tufts faculty appointment available.
- Current MA professional state license is preferred.
- On-call coverage is optional.
- These units are part of Hallmark Health's comprehensive behavioral health service that includes geriatric inpatient units at Lawrence Memorial Hospital in Medford, ECT, and outpatient services at Community Counseling in Malden and Medford.

Voted one of Boston Magazine's "Best Places To Work", we offer:

- Fully integrated EMR
- Full malpractice coverage from the day you start
- Competitive compensation package
- 8 weeks of paid time off
- Physician mentoring
- Excellent call schedule
- Hospital coverage provided by Hospitalists
- Part time and full time opportunities
