

**Help us change the delivery
of healthcare.**

**The Primary Care opportunity of a lifetime
is waiting for you at AtlantiCare.**

AtlantiCare, a Baldrige Award–winning healthcare system located in southeastern New Jersey, is seeking BC/BE Family Medicine and Internal Medicine physicians to join our employed multi-specialty group. Due to tremendous growth, we have **enhanced compensation incentives** available for multiple practice opportunities throughout Atlantic, Ocean and Cape May counties.

Come be part of an organization renowned for medical innovation and performance excellence. Here, you'll work with a team of like-minded colleagues and an exceptional staff in a collaborative environment. Best of all, you'll be backed by a health system that values your opinions and contributions, and respects your need for work/life balance and desire to make a difference.

AtlantiCare's Primary Care practices are taking meaningful steps toward the "patient-centered medical home" model through a commitment to same- or next-day urgent appointments, electronic medical records, and collaboration with an AtlantiCare Care Manager for complex patients. Additionally, the practices are supported by AtlantiCare Hospitalists, who care for patients admitted to our two medical centers.

The successful candidate will possess strong clinical, communication and consultation skills, as well as a patient-first focus. He or she will aspire to drive

improvement in healthcare well into the future.

Come join the region's healthcare leader—an organization known for medical innovation and performance excellence. You'll have it all, here in beautiful southeastern New Jersey, with its pristine beaches, welcoming neighborhoods, and abundance of history, culture, arts, entertainment and recreation.

Join AtlantiCare. And make a contribution that could change healthcare.

INSPIRE. DREAM. ACHIEVE.
