Dear Savio Parents and Guardians,

December 18, 2015

We hope that everyone is enjoying a blessed Advent and looking forward to the upcoming holiday. We wish each of you a blessed Christmas and thank you for being a part of our community at St. Dominic Savio!

In December of each year, our Board of Directors and Advisors considers the future needs of the school and makes financial recommendations for the upcoming school year. We are pleased to report that tuition for the 2016-2017 school year will involve a modest annual increase of \$270 for one child at the Catholic rate, with a 10% discount for additional children. The annual fee will remain unchanged at \$550, and can be paid in full or in two payments. Bus routes will remain at \$1100 per student. Several options for payment of tuition are available, including 10, 11 and 12 month options. **You will find additional information included that will provide more details, and due dates for enrollment, fees and tuition.**

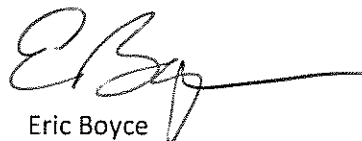

The 2016-2017 budget addressed several key priorities:

- Provide sufficient funding to maintain and improve the overall quality of the educational program at St. Dominic Savio, including a strong curriculum, an integrated and updated technology program, comprehensive extra-curricular activities, as well as continued professional development for the faculty and staff.
- Provide safe and well maintained facilities.
- Provide affordable tuition rates that not only cover the majority of the school's operating expenses, but also to provide competitive salaries and benefits for our faculty and staff.
- Provide a well-funded tuition assistance program.
- Provide for timely debt payments on our new facilities

There are many blessings to be grateful for and we thank God for the ways that he is present within our Savio community. We are enjoying a very special group of students, very engaged families and an enthusiastic faculty and staff. We thank you for the many ways that you support us.

Sincerely,

Joan Wagner, Ph. D.
