Steps to Online Re-enrollment in RenWeb/ParentsWeb

One parent for each student is designated with Enrollment Responsibility in ParentsWeb, with the first default being the custodial mother living at the same address as the student. If no such custodial mother exists, the custodial father living at the same address is the second default. Parents in other households for split families update their demographic information separately.

Note: FACTS Tuition Management Agreement

All enrolled families are required to establish a FACTS agreement for tuition payments and agree to incidental billing for all other charges. This year current FACTS agreements will not automatically rollover. Instead, the agreement will be set up as you are completing your re-enrollment packet. There is a section in the enrollment packet called "Tuition Plan Schedule Selection Form". You will simply follow the prompts listed in this section to complete your FACTS agreement.
