

Earn limited Starwood Preferred Guest benefits with select Design Hotels™ around the globe.

Select Design Hotels™ Now Available with SPG®

Established in 1993 as the first of its kind, Design Hotels™ represents and markets a hand-selected collection of hotels around the globe. Its large, vibrant, and engaged community of followers understands Design Hotels'™ portfolio offers them the unexpected and the original, as well as genuine hospitality, cultural authenticity and thought-provoking design and architecture, all in a wide variety of settings, including great capital cities, island retreats, mountain resorts, offbeat spots and far beyond.

A selection of Design Hotels™ is now proudly joining forces with the Starwood Preferred Guest® Program.

For SPG® Members this means the opportunity to experience additional amazing hotels in top destinations – while being recognized and rewarded with SPG benefits unique to Design Hotels™. DesignHotels™ exhibits a passion for genuine hospitality, cultural authenticity and thought-provoking design and architecture.

SPG Members staying at participating hotels will receive the following benefits:

- **2 Starpoints per eligible US dollar spent (with a 50% bonus for SPG Gold and Platinum members, and 100% bonus for Platinum members with a minimum of 75 Eligible Nights)**
- **Night and stay credit toward elite status**
- **On-property benefits of internet access and bottled water in room**
- **Gold Preferred and Platinum Preferred Members will automatically receive a Starpoints bonus as their Welcome Gift.**

Other on-property benefits such as upgrades, late checkout, Your24 or Suite Night Awards will not be available at participating hotels. Redeem for stays without blackout dates. If a standard room is available, it's yours.

Note: Design Hotels™ may not offer the same SPG benefits or brand service standards as other Starwood hotels.

If you are booking a reservation with one of our partner hotels, you understand that in order to process your reservation we will be providing your reservation information directly to the hotel to fulfill your reservation, and the processing of your information will be subject to such hotel's privacy practices.
