

**By popular demand, NFHF brings Touch a Truck back to the community!**

Northshore Families Helping Families (NFHF) is a nonprofit family directed resource center based in Covington, Louisiana. Our mission is to provide individualized services, information, resources, and support needed to positively enhance the independence, productivity and inclusion of persons with disabilities. NFHF serves the parishes of St. Tammany, Tangipahoa, Livingston, St. Helena and Washington.

*Touch a Truck* is a fun family event where kids and adults have the opportunity to see, touch, interact with and learn about dozens of cool vehicles. Kids of all ages and abilities can touch, discover and explore their favorite things on wheels. There will be vehicles representing community emergency services, businesses, military, construction, tractor/farm vehicles and cars just to name a few. Along with the vehicles there will be food, music, a fabulous raffle, games and activities. This is a great opportunity to advertise your business and allow the community to see how you support St. Tammany and beyond.
