

2016 Peach Stop Application

Dear Merchants, we would like to again invite you to participate in the Peach Stops Passport Game. There will be a maximum of 50 Stops. Please register by May 27; after this date, the invitation will be extended to all Chamber members. Please remember that a purchase cannot be required in exchange for a validation stamp on the player's Passport.

- A Chamber representative will deliver your packet around June 15-17. Packets will include the following: a Flyer/Poster, a table tent, passports, as well as stickers or stamps. Please brief your staff on the game and display your flyer and/or table tent in a noticeable place and encourage your customers to play.
- Participation dates: Monday June 20 - Saturday, June 25, 2016
- The Arbor & Terrace Assisted Living has sponsored the \$1,000 grand prize. The drawing will be held Saturday, June 25, 2015 at Railroad Park at 5 p.m. Winner does not have to be present. Other prizes will be drawn for on Monday following the festival and winners will be called.

If you have sales, promotional items, coupons, etc., having them in an easily accessible area may increase sales. We encourage you to have some type of peach product or decorations in your business to enhance the week of Peach activities.
