

Nancy Emerson, Lombardo, PhD
President , Brain Health and Wellness Center
Adjunct Research Assistant Professor of Neurology
Boston University School of Medicine

Nancy Emerson Lombardo, PhD has worked for over 30 years in services for older adults. She is a co-founder of the national Alzheimer's Association and Alzheimer's Disease International.

As President of the Brain Health and Wellness Center®, she developed brain healthy lifestyle interventions, most notably the Memory Preservation Nutrition® program. She offers both consultations to individuals and organizations and presentations to lay and professional audiences.

Dr. Emerson Lombardo is Adjunct Research Assistant Professor of Neurology at Boston University School of Medicine and BU Alzheimer's Disease Center and recipient of an Alzheimer's Association grant to study a combination of nutritional supplements.
