Have a Booth at the Mission Fair!

We are asking churches to **provide a Booth to highlight your church's mission work** (or a canopy, a tent, a table...or whatever!) We want this Mission Fair to provide a fun and free family outing for our community members as well as raise awareness about the great local mission opportunities that are available. To do that, **we'd like for each Booth to offer a free food** (like chips, soda, water, hotdogs... whatever your group would like to bring).

The doors are wide open as far as creativity, so don't be afraid to think outside the box! **We really want to show our community that missions are possible for little churches and big churches alike.** We also hope to provide networking opportunities for churches to partner with each other if God speaks to them about a particular mission. We hope that you will prayerfully consider participating in this event with us!
