federal law where appropriate even when such activities may be permitted under state law. Persons and entities who operate or facilitate the operation of such dispensaries are subject to criminal prosecution and civil enforcement actions under federal law. Moreover, because the dispensary is operating within 1,000 feet of a school, enhanced federal penalties apply. See 21 U.S.C. § 860(a).

In addition to potential criminal prosecution and civil enforcement actions, you are further advised that real and personal property involved in the sale and distribution of marijuana is subject to seizure by and forfeiture to the United States, even if in compliance with state law. See 21 U.S.C. § 881. This letter constitutes formal notification that action will be taken to seize and forfeit such property if you do not discontinue the sale and/or distribution of marijuana and marijuana infused products within 45 days from the date of this letter, specifically, by Monday, February 27, 2012. Your prompt attention to this matter is strongly advised.
